The festival's atmosphere

## XIX Edition Highlights

### An audience oriented festival, with a curated selection of contemporary documentary cinema

- 6 international competitions
- 27 national premieres
- 33 countries represented
- 54 films with attending filmmakers and producers
- Screenings all day long

A programme built from hundreds of submissions worldwide, focusing on cinematic quality and powerful storytelling.

### Retrospectives & Special Programmes

- *The Spanish Civil War, 90 years later*
- *Sarajevo: The Siege (1992–1996)*

Two major retrospectives reflecting on history to better understand the present, through international auteurs and archival works.

### Photography Exhibition Robert Capa & Gerda Taro – Photography, Love, War

A tribute to two icons of war photography and visual storytelling.

### Masterclasses

Igor Bezinović  
Nikolaus Geyrhalter

### Live Events & Concerts

Exclusive productions and daily music programme, including Aperidocs.

### Books & Publications

“Watching the Real” – a new editorial series dedicated to documentary cinema

### Moana:

*Voices of the Golden Age, History of the Spanish War – 50 documentaries*

### Archive & Mediatheque

Over 20,000 films and 20,000 books: one of Europe's most important audiovisual collections.

### A Festival with Values

- Inclusive and accessible cultural practices
- Green Manifesto and environmental commitment
- Dialogues, round tables, workshops and more

### A European hub for documentary professionals

- NIUDOC – New talents & projects
- VERO! – Connecting Docs
- Co-production & development sessions
- One-to-one meetings & networking
- Panels with European industry experts

The festival fosters new talents, international collaborations and cross-border exchanges, supporting new voices and strengthening documentary films circulation.

### Education & Audience Development

- Year-round screenings in cinemas and schools
- Workshops and matinées for students
- Young Jury (students from all across Europe)
- Partnerships with international film schools

### XR – Immersive Documentary

- Virtual Reality experiences
- Dedicated pavilion with XR installations
- Interactive and immersive storytelling formats

A space where documentary meets new technologies and new ways of experiencing reality, while building future audiences through international film education networks.
